Create Account

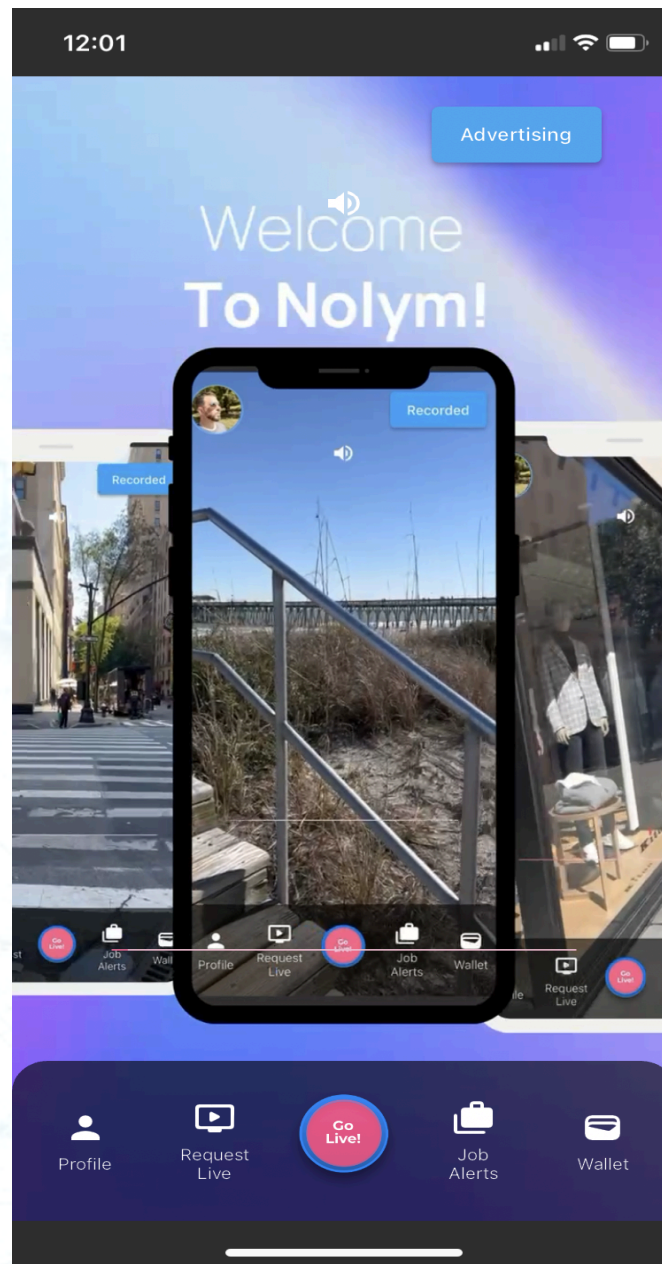

When you click "Create Account", you're indicating your acceptance of our [Terms](#), Privacy Policy, and Community Guidelines.

On this screen, new users can register on the platform by providing the following information:

- Name: Enter your full name.
- Username: Create a unique username.
- Email: Enter a valid email address.
- Password: Create a secure password.

This information is necessary to create an account and access the application's functionalities.

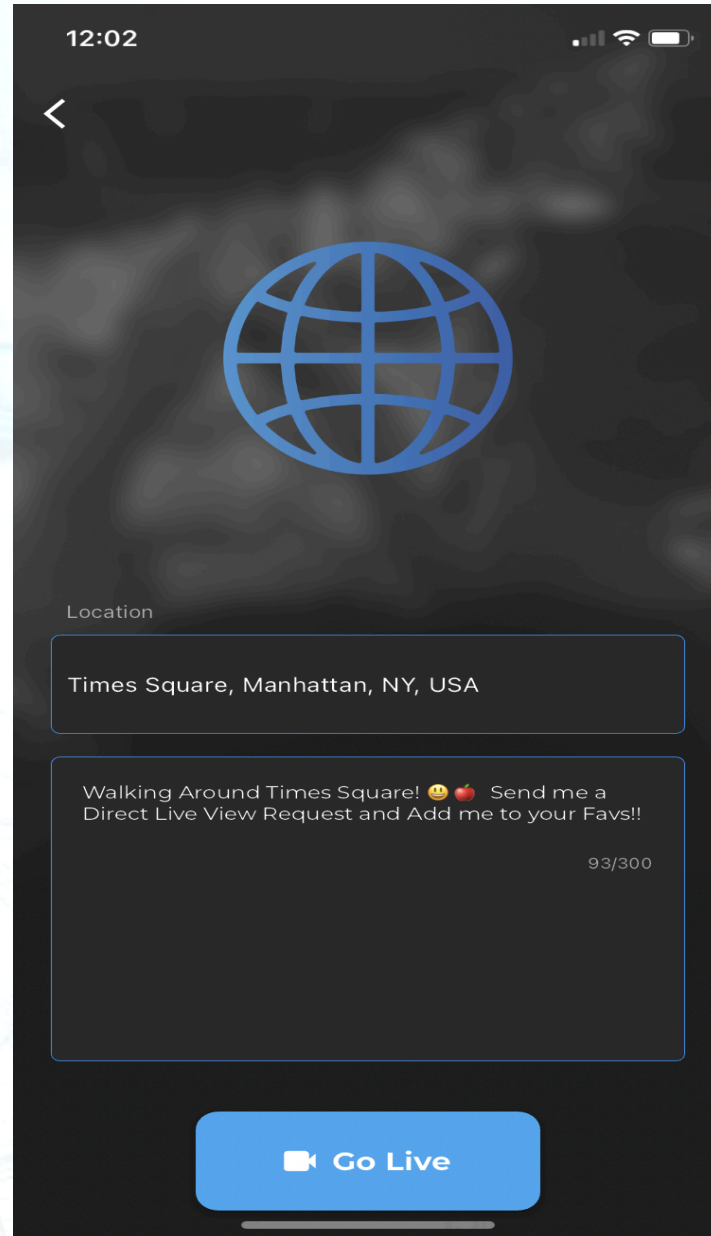

Home

This is the Home screen of Nolym, where the user has the opportunity to view Live Streams published by others as well as profile videos and advertisements.

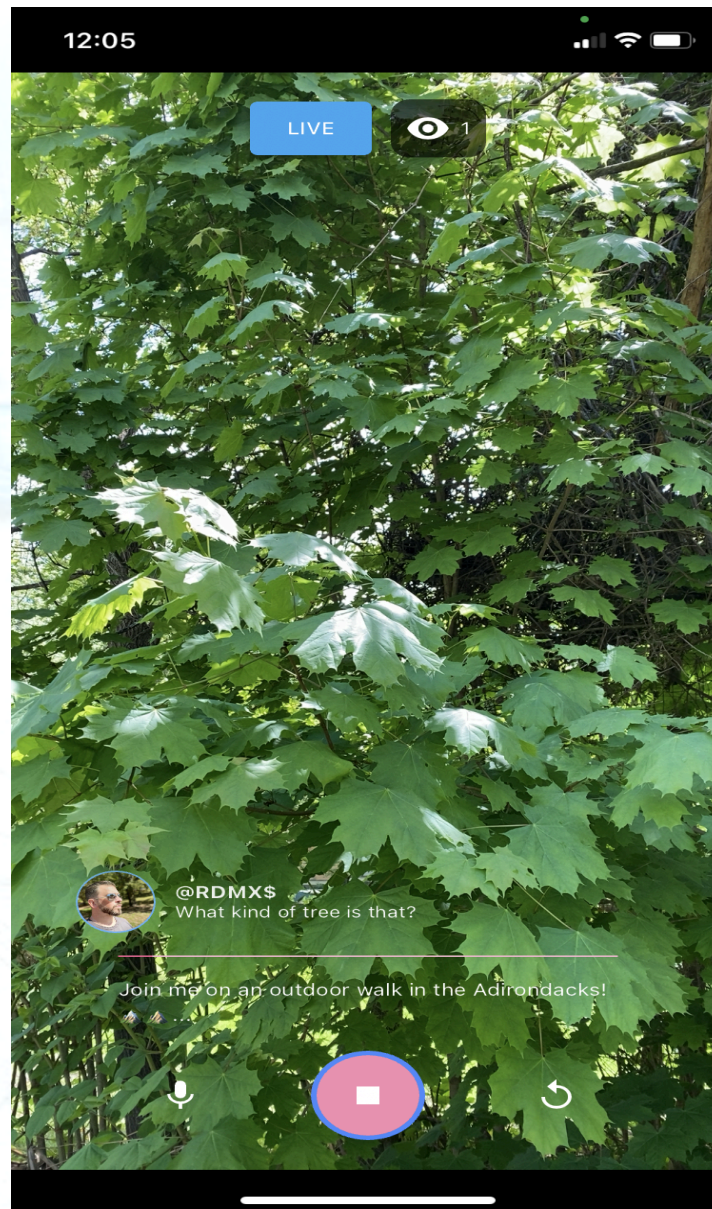

There are also various buttons on the screen that redirect to Profile, Live View Requests, Job Alerts, Wallet, and the main Go Live button to start Live Streaming.

Go Live

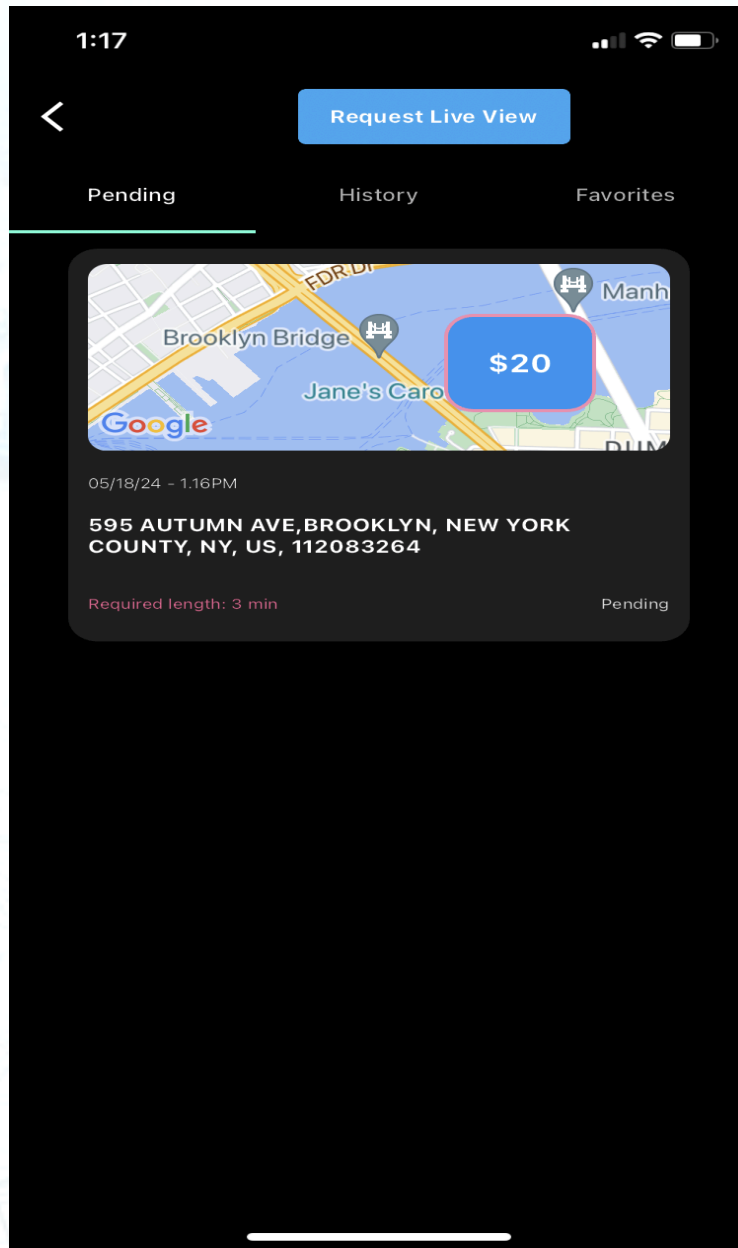

By selecting the "Go Live" button on the Home screen, you are redirected to this screen where you can choose a location and a Description.

Go Live Stream

After filling in the details on the previous screen and selecting the "Go Live" button, the stream will begin with options to switch the camera, mute, see the number of viewers, and stop the live stream. Selecting the stop button will prompt a modal to confirm stopping the stream. Once the live stream ends you will be automatically redirected to the Home Screen.

Request Live

By pressing the "Request Live" button, users are redirected to this view where in the "Pending" tab, they can see the created Job Alerts with their respective details.

Request Live View

12:10

Request Live View

Leaning Tower of Pisa, Piazza del Duomo, Pisa, Province of Pisa, Italy

Select the desired length of the Live View:

1 minute

3 minutes

5 minutes

Custom Mins.

Go Live Without Me
If selected, the Lensman will go live without you. Your Live View will be available for download.

Enter the amount you'll pay for the Live View:

The minimum amount is \$5

Please provide specific details to assist the Lensman in understanding your request:

55/300

Note: Live View Requests Expire After 30 Minutes.

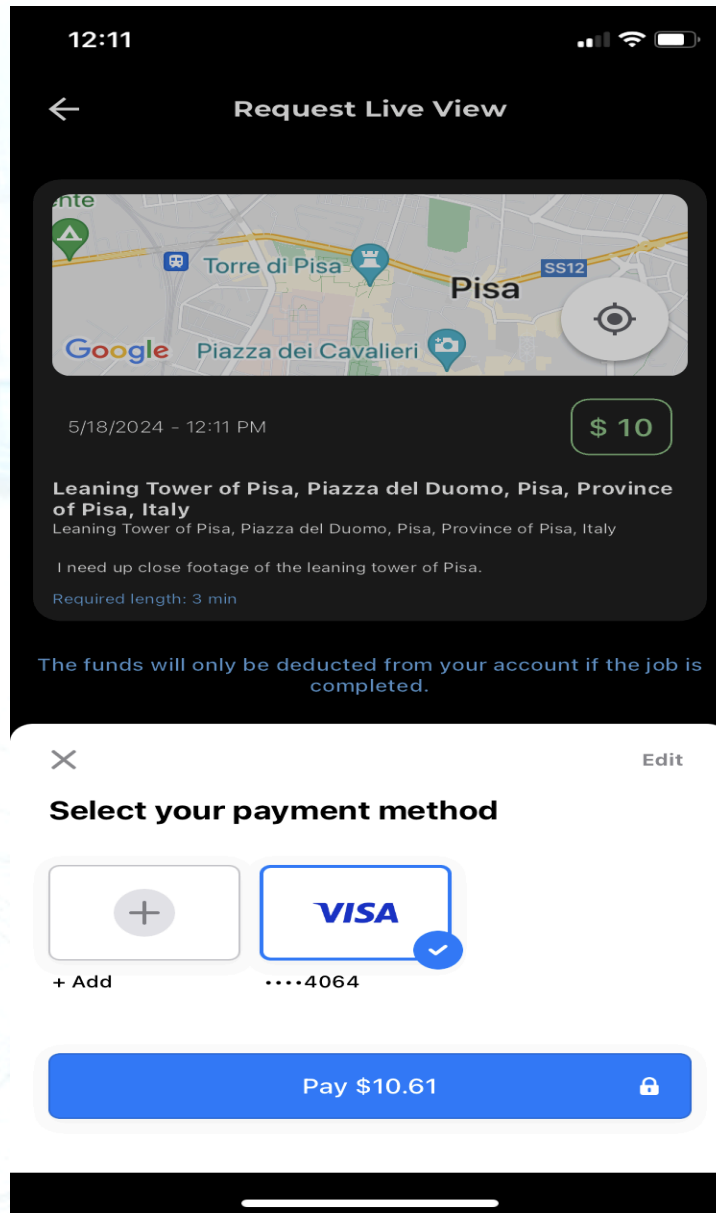

Send Now

Selecting the "Request Live View" button on the previous screen redirects the user to this view where they can create a Live View Request.

Here, users can:

- Choose the number of minutes. If it exceeds 3, the viewer has the option to add more time if the streamer agrees.
- Add the amount for the video and detailed specifications about the Live View Request.
- If the "Go Live Without Me" option is selected, the streaming will start without prior notice to the viewer.

Confirm Request

Upon sending the request, the details will appear with the option to pay. An additional service charge will apply, with the possibility to add a card for payment.

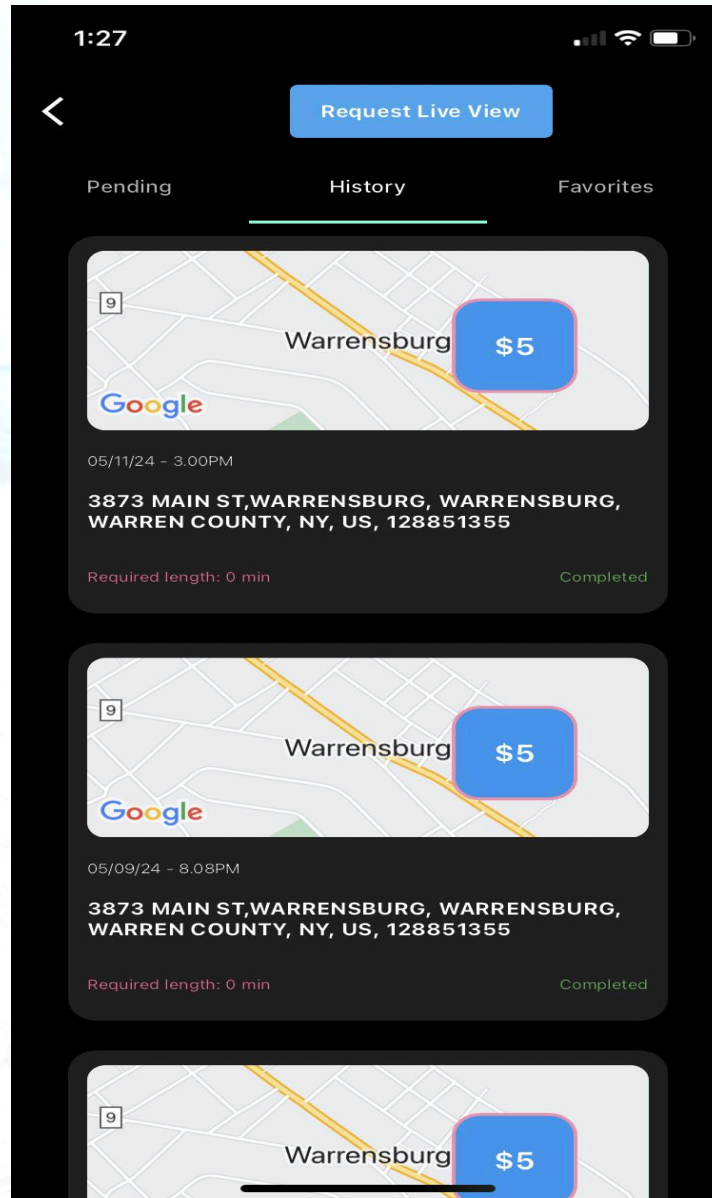

Add Payment Information

The screenshot shows a mobile application interface. At the top, the status bar displays the time 1:25, signal strength, Wi-Fi, and battery at 23%. Below the status bar is a navigation bar with a back arrow and the text "Request Live View". The main content area shows a map of San Francisco International Airport. A modal window is open over the map, titled "Add your payment information". The modal contains the following sections:

- Card information**: Includes a "Scan card" button with a camera icon. Below it are input fields for "Card number" (with logos for VISA, Mastercard, AMEX, and Discover), "MM / YY", and "CVC" (with a card icon).
- Billing address**: Includes a dropdown menu for "Country or region" (set to "United States") and a "ZIP" input field.
- A checkbox labeled "Save this card for future Nolym payments" which is checked.
- A large blue button labeled "Pay \$26.06" with a lock icon.

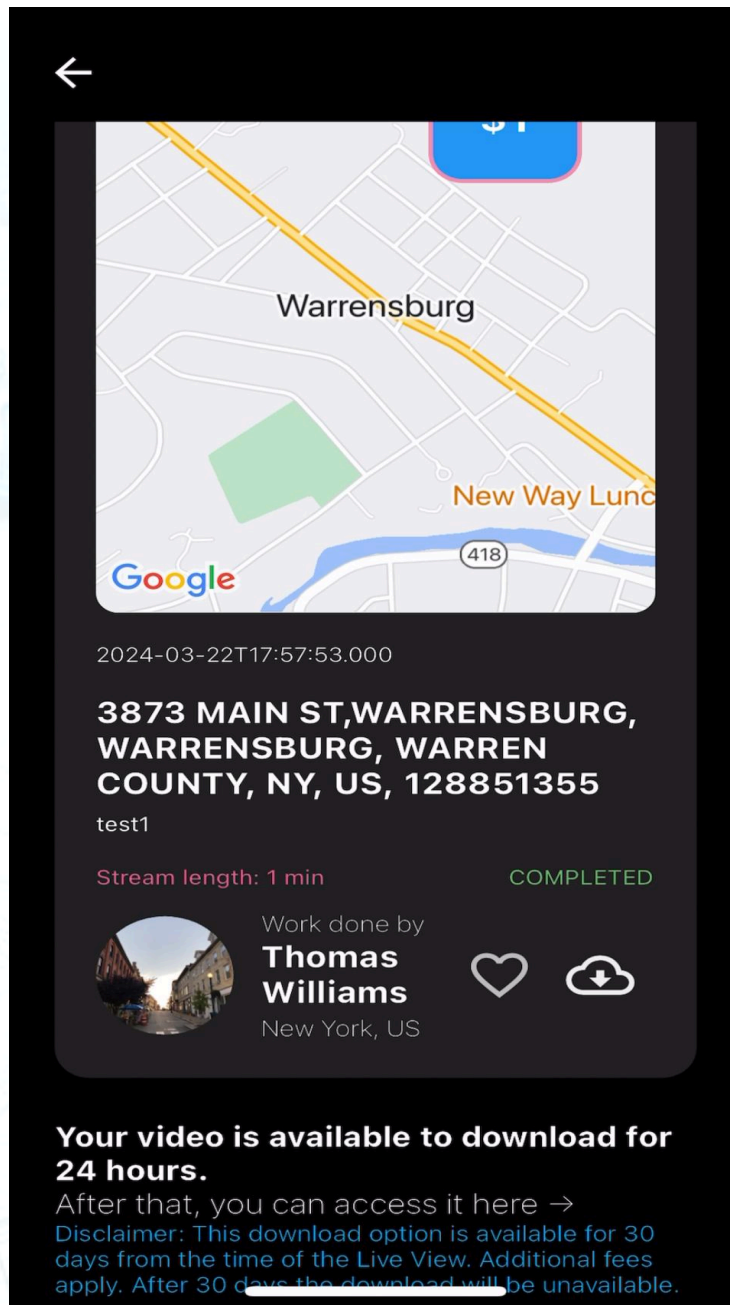

In this section, users can add their payment details.

Request History

By selecting "History", users can view the history of all Live View Requests with detailed information.

Request Screen

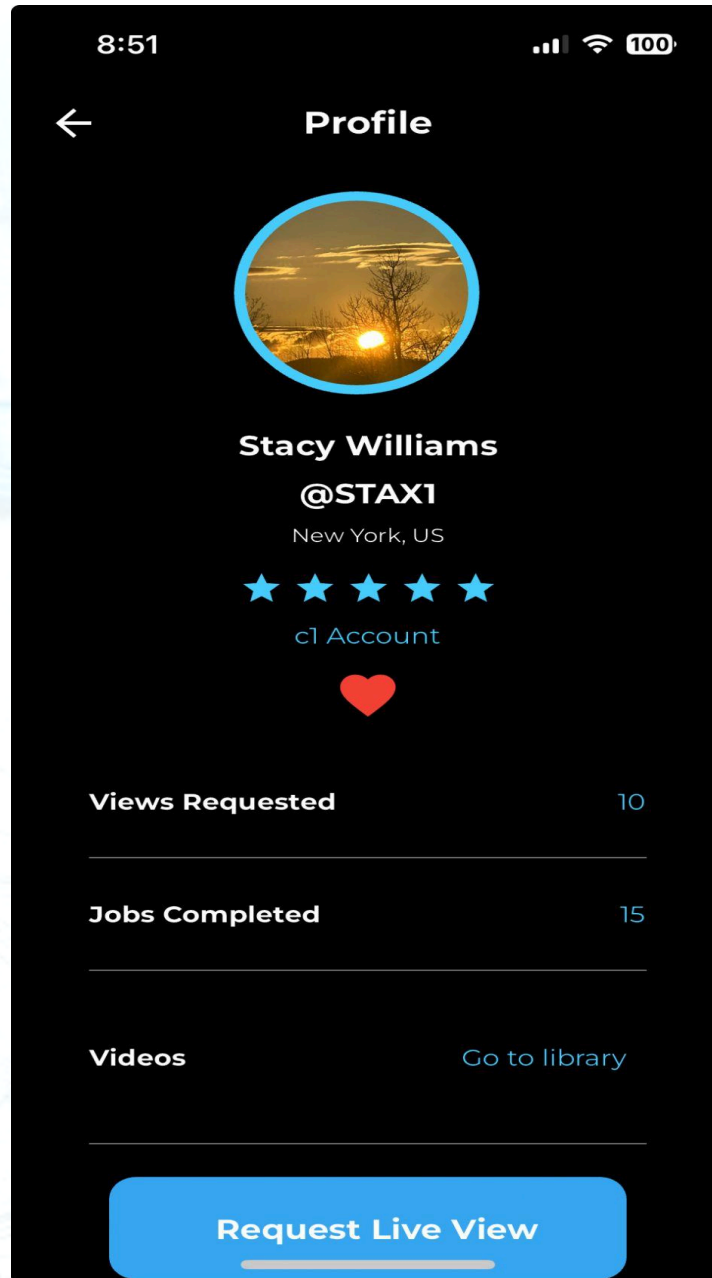

When a user selects a stream request from the history, they have the option to add it to their favorites and download it. However, if more than 24 hours have passed since the broadcast, the download option will be locked, and they will have to pay again to access the download. This cycle continues for 30 days, after which the download option will be disabled from the history.

Favorites Screen

In the favorites tab, users will find a list of their preferred streamers, along with their details, allowing redirection to each streamer's profile.

Favorite Request Profile

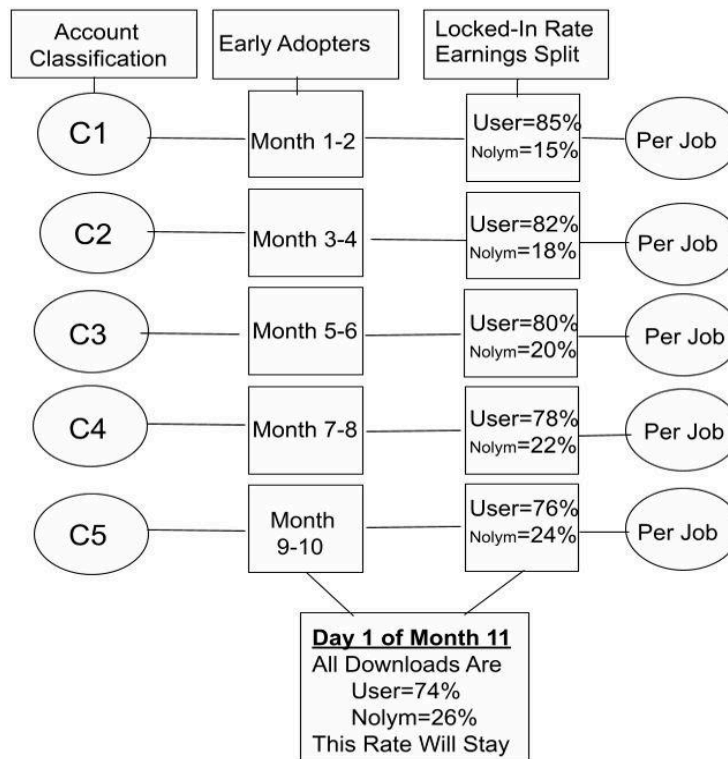

When a user selects a streamer in the favorites screen, detailed information about the streamer's profile will be shown, along with the option to request a private Live View. (Direct Live View Request)

Ratings and Profile Levels

Regarding ratings and profile levels, there are different ranks identified as C1, C2, etc. The display of Job Alerts in the tab adjusts to the corresponding time based on the account's level, as follows:

- C1: immediately
- C2: 15 seconds
- C3: 30 seconds
- C4: 45 seconds
- C5: 1 minute

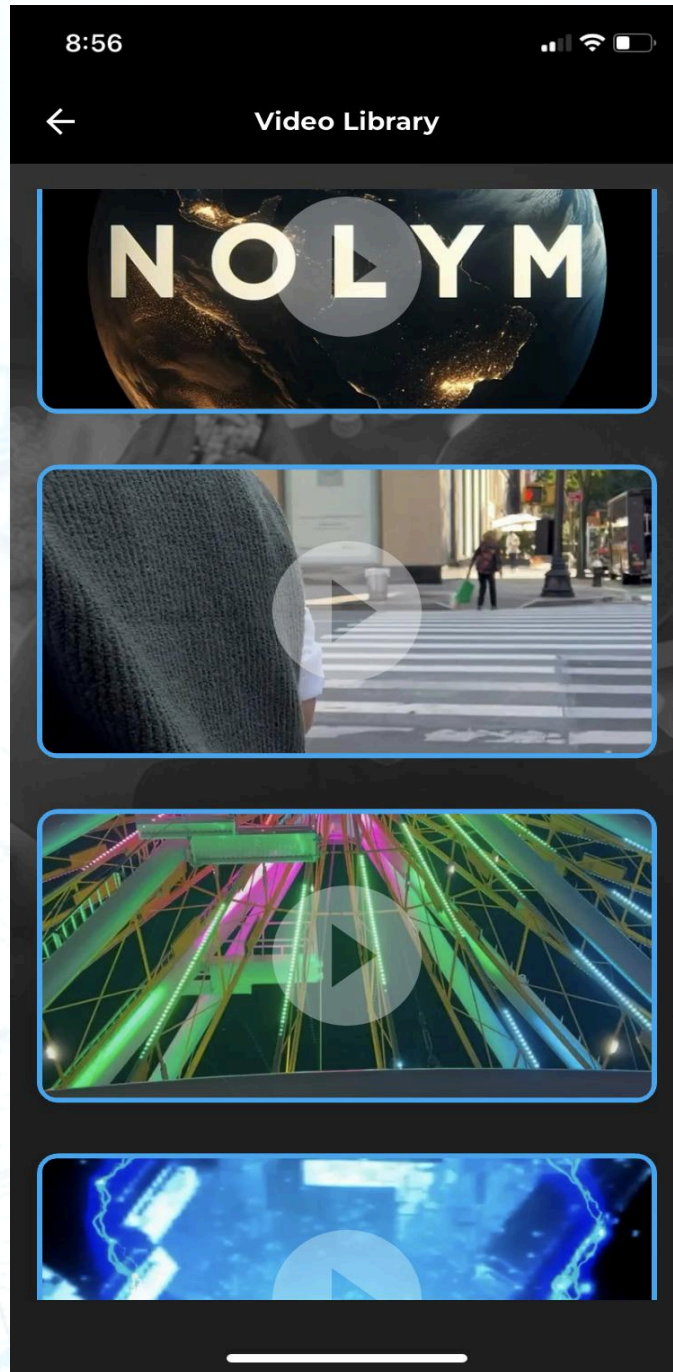

These levels are assigned gradually over time as indicated by the graph, and each level has different earnings rates.

As for ratings and stars, they determine the time at which Job Alert notifications are shown:

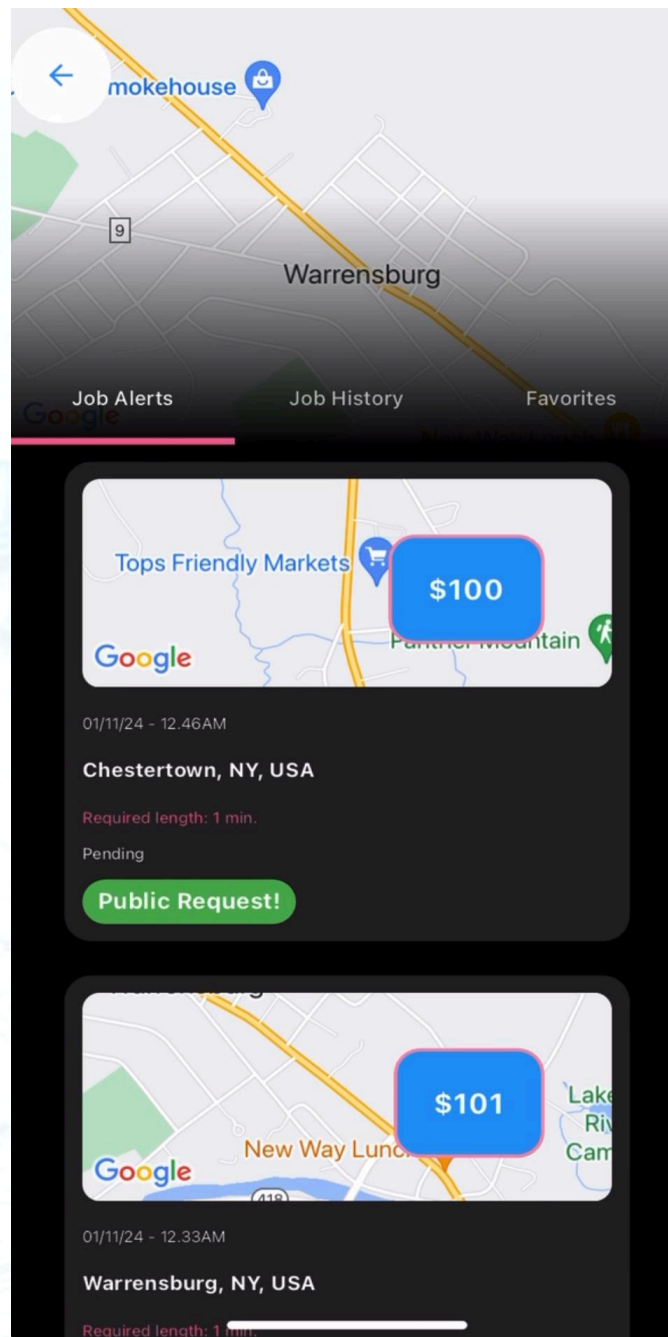

- 5 stars: immediately
- 4 stars: 15 seconds
- 3 stars: 30 seconds
- 2 stars: 45 seconds
- 1 stars: 1 minute

Request Profile Library

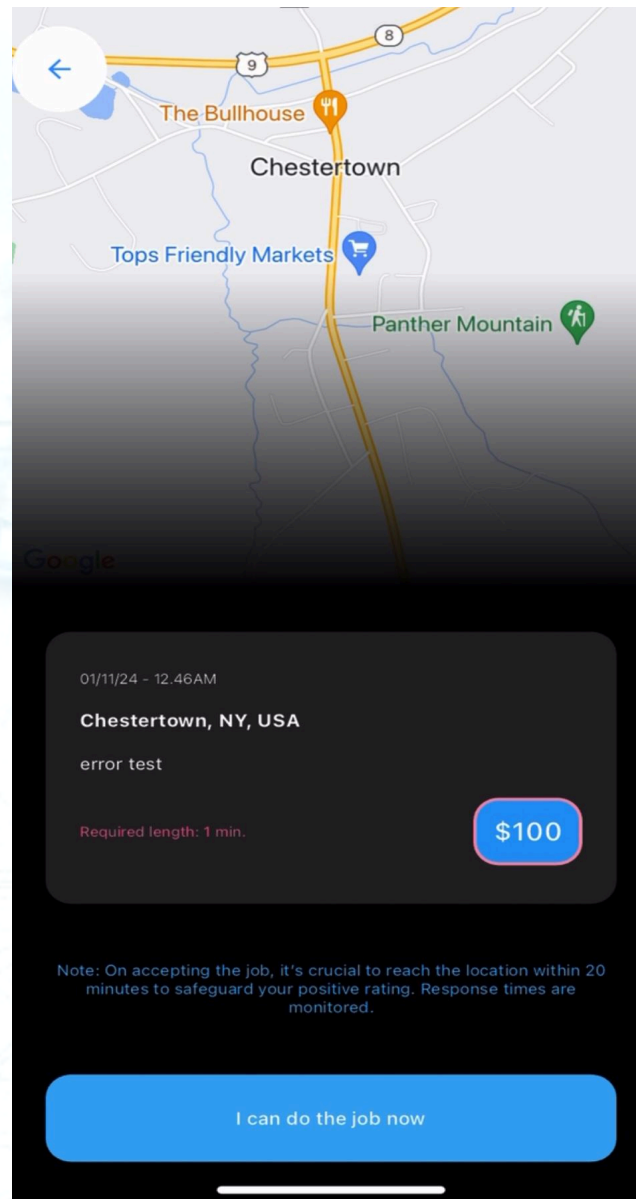

When the user selects "Go to the Library" in the streamer's profile, the viewer can access the videos uploaded by the streamer to their library.

Job Alerts

When users access the Job Alerts section, the initial view shows all requests that are near their location.

I Can Do The Job Now

When a user selects a job request, a view opens with the details, including location, time, details, and price. There is also an "Accept" button to accept the request and perform the stream. By accepting this request for the first time, users will be redirected to Stripe to confirm their payment platform.

Let's get started

Fill out a few details below.

Mobile number

AR +54 11 2345 6789

We'll text this number to verify your account. Message and data rates may apply. By continuing, you agree to our [Terms of Service](#) and [Privacy Policy](#). In test mode, you can skip this with the [test phone number](#).

Email

me@example.com

Have a Stripe account? You can use the same email.

Continue →

When accepting a Job Alert for the first time, users are redirected to configure Stripe, where they will need to verify their phone number and email address.

Stripe Add Account

The screenshot shows a mobile application interface for Stripe account registration. At the top, a black navigation bar contains a white back arrow and the text "Stripe account registration". Below this is a progress indicator with a black segment on the left and a grey segment on the right. A yellow "Test mode" badge is positioned above the main heading, "Add an account for payouts", which is in a large, bold, black font. Underneath the heading, a subtitle reads "Earnings that you receive will be sent to this account." A light grey rounded rectangle contains a warning icon (a circle with an exclamation mark) and the text "You're currently in test mode." Below this warning is a button labeled "Use test account". The form consists of two input fields: "Account number" and "Confirm account number", both containing the test number "011000060000000000000000". A blue "Continue" button is located below the second input field. At the bottom of the screen is a black navigation bar with three white icons: a hamburger menu, a circle, and a back arrow.

After verifying their phone number with a validation message, users must add an account to pay or receive payments for Job Alerts.

Submit

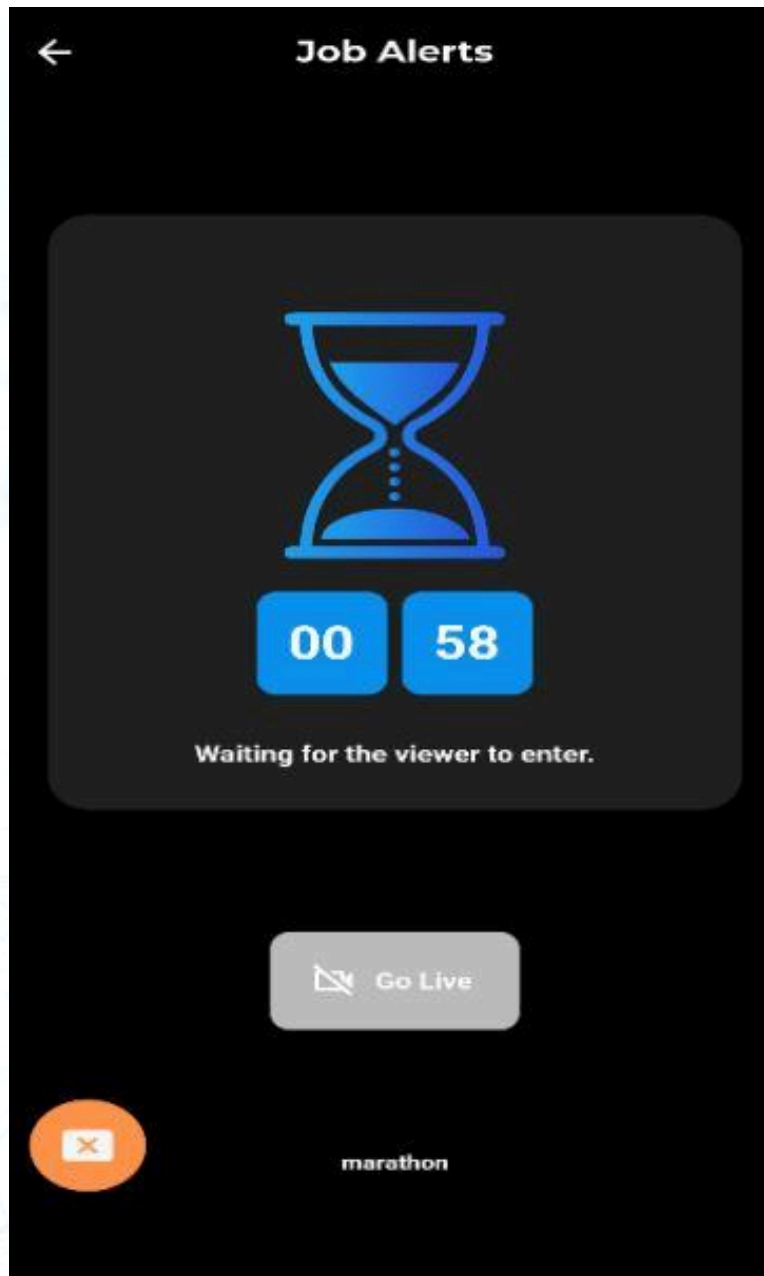

Finally, in Stripe, users must provide the last required details to complete their account registration.

Job Alert | I'm Ready

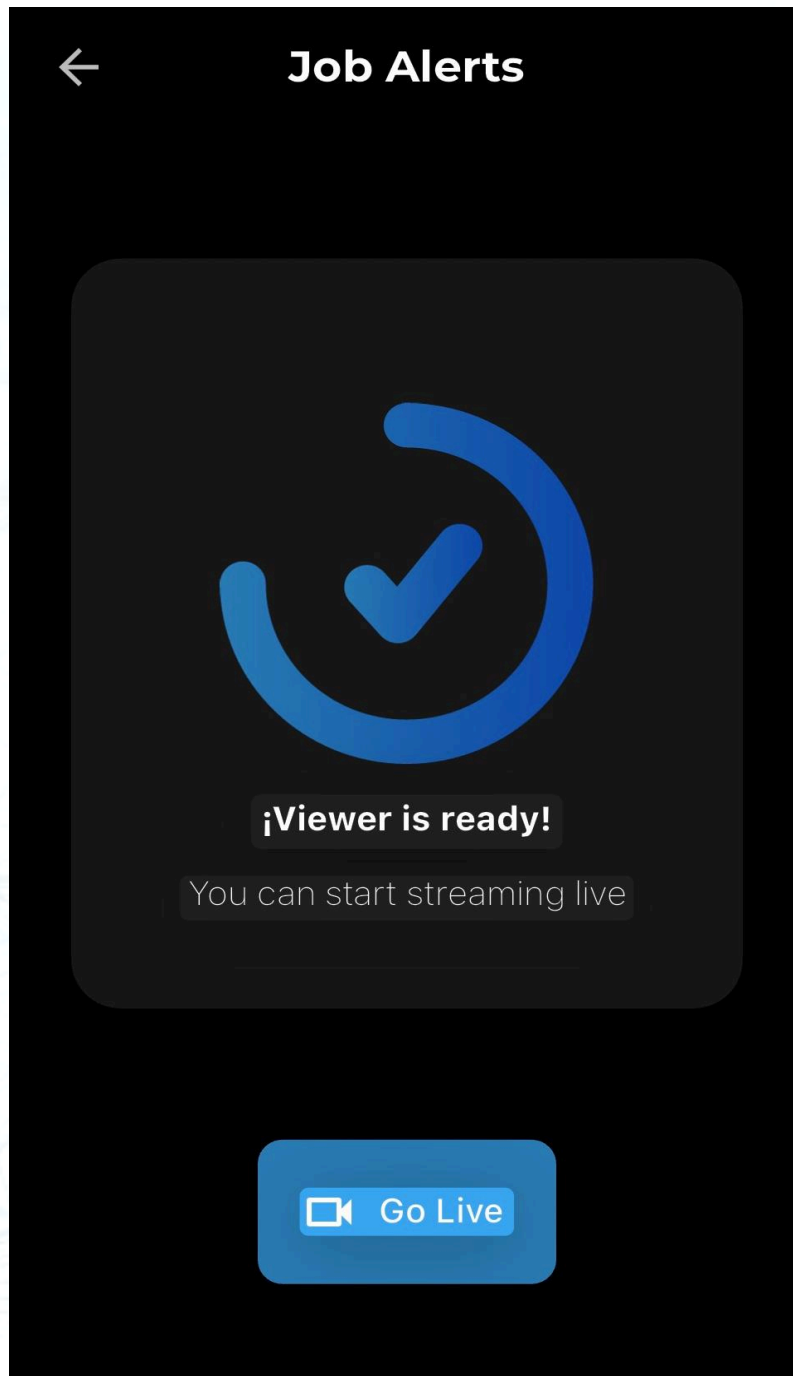

Upon accepting the Job Alert, a 20-minute countdown is activated (this countdown may be modified in accordance with the population density of a location) for the Lensman to get on location. As soon as the lensman is ready, they can select the "I'm ready" Button and go live.

Job Alert | Wait For Me

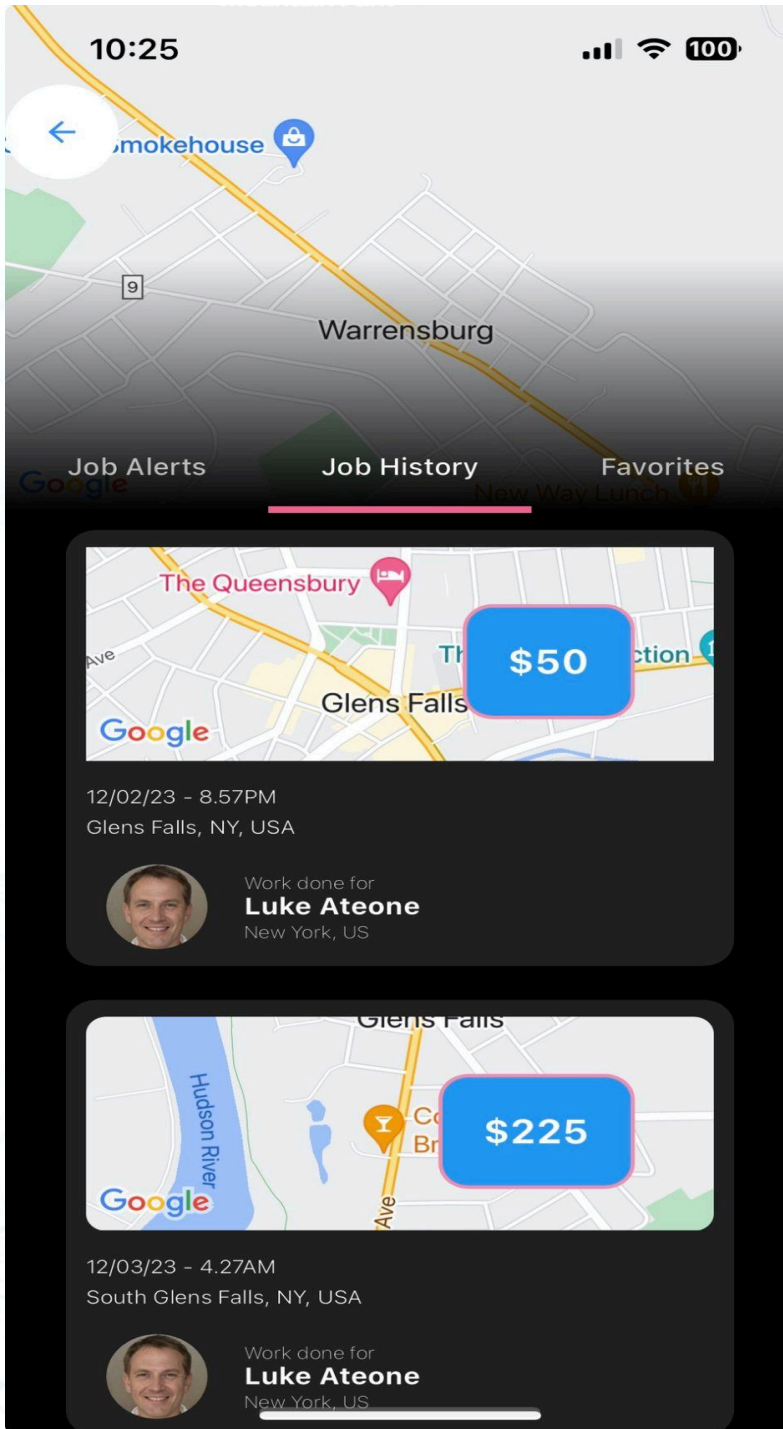

In the settings, the viewer has the option to activate the "Go Live Without Me" feature. If this option is deactivated, the streamer must wait one minute or wait for the viewer to join to start the broadcast. If activated, the streamer can start without waiting. Live Streams automatically start after 1 minute, even if the Viewer has not joined.

Job Alert Ready

Once the waiting time has elapsed or the Viewer has joined, the Lensman can select the "Go Live" button to start their stream.

Job History

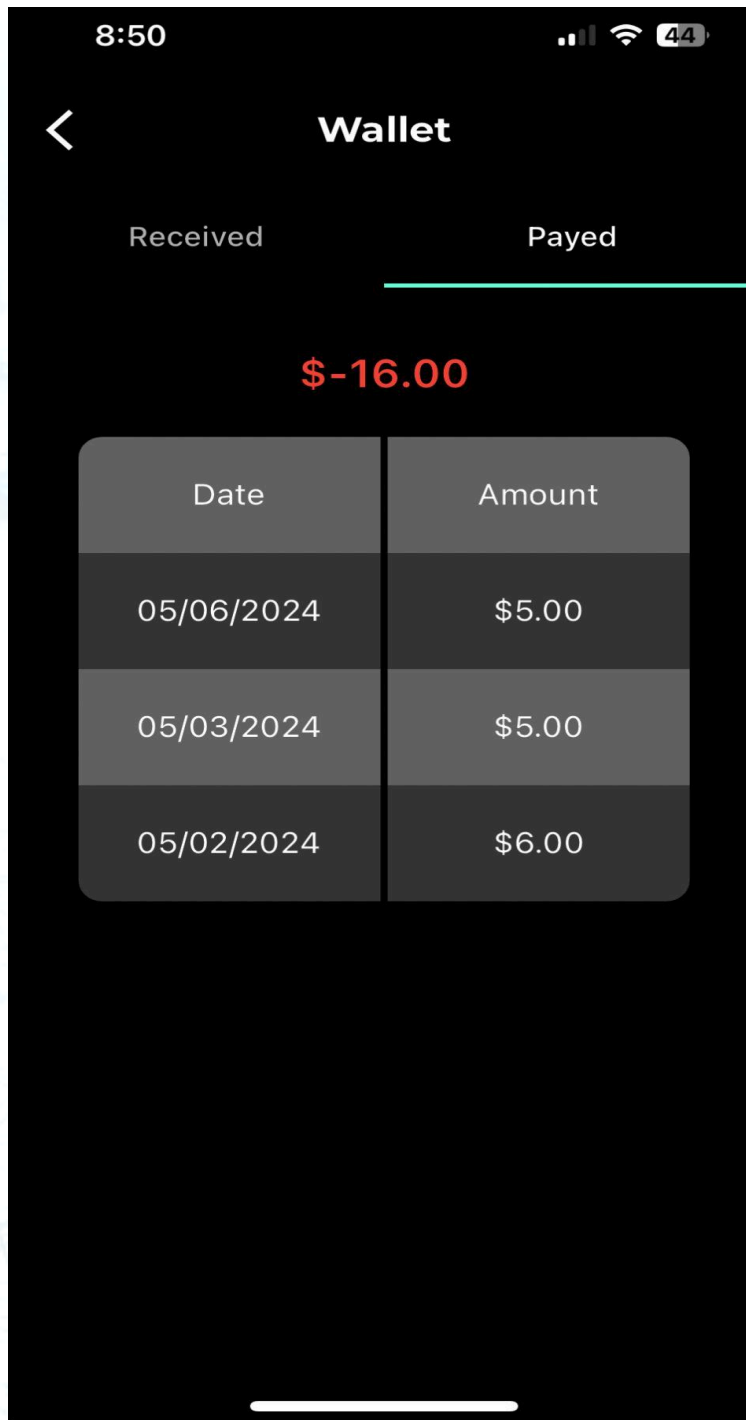

In the Job History section, streamers can access a list of all previous jobs, where they can see the details of each one.

Wallet Received

Wallet	
Received	Payed
\$4607.00	
Date	Amount
05/16/2024	\$40.00
05/16/2024	\$35.00
05/16/2024	\$30.00
05/16/2024	\$25.00
05/16/2024	\$20.00
05/16/2024	\$10.00
05/16/2024	\$5.00
05/16/2024	\$1.00
 05/10/2024	\$60.00

In the main view, there is an option called "Wallet", which allows users to see the history of all received payments.

Wallet Paid

In the other section of this view, users can see the entire payment history.
